

## DOCTOR ADVISED USE OF CUTICURA

After Other Treatment Failed—  
Eczema in Raw Spot on Baby's Face Lasted for Months—  
Cried with Pain when Washed.

### ECZEMA WAS CURED AND HAS NEVER REAPPEARED

"Our baby boy broke out with eczema on his face when one month old. One place on the side of his face the size of a nickel was raw like beef-steak for three months, and he would cry out when I bathed the parts that were sore and broken out. I gave him three months' treatment from a good doctor, but at the end of that time the child was no better. Then my doctor recommended Cuticura. After using a cake of Cuticura Soap, a third of a box of Cuticura Ointment, and half a bottle of Cuticura Resolvent he was well and his face was as smooth as any baby's. He is now two years and a half old and no eczema has reappeared. I am still using the Cuticura Soap; I think it is the finest toilet soap I ever used. I keep my little girl's hair and face cleansed with it too. I am so thankful for what Cuticura has done for us. Mrs. M. L. Harris, R. F. D. 1, Alton, Kan., May 14 and June 12, '07."

They also took a high stool from the office, which was used to climb into the window of Wall & Co's. grocery and saloon. The window was broken, unlatched and the thief took \$10 and three watches and a lot of candy and other articles. ### ECZEMA NOW CURABLE.

All Itching Skin Diseases Which Are  
Not Hereditary Instantly Relieved by  
Oil of Wintergreen.

Can Eczema be cured? Some physicians say "yes." Some say "No." The real question is, "What is meant by Eczema?" If you mean those scaly eruptions, those diseases which make their first appearance, not at birth, but years afterwards, and perhaps not until middle age—then there can no longer be any question that these forms of eczema are curable.

Simple vegetable oil of wintergreen, mixed with other vegetable ingredients, will kill the germs that infest the skin. Apply this prescription to the skin, and instantly that awful itch is gone. The very moment the liquid is applied, that agonizing, tantalizing itch disappears, and continued applications of this external remedy soon cure the disease.

We carry in stock this oil of wintergreen properly compounded into D. D. D. Prescription. While we are not sure that it will cure all those cases of skin trouble which are inherited, we positively know that this D. D. D. Prescription, whenever rightly used, will cure every last case of genuine eczema or other skin trouble, which did not exist at birth.

We know this. Anyway, you, yourself, will know that D. D. D. Prescription instantly takes away the itch the moment it is applied to the skin. R. C. Hardwick, Hopkinsville, Ky. Stop that itch today—instantly. Just call at our store and try this refreshing and soothing liquid; also ask about D. D. D. Soap.

The same night the bars of a rear window to Sutton & Cannon's saloon on Seventh street was prized apart wide enough to permit a man to enter and a burglar raised the window and went in and helped himself to one or two bottles of whisky and finding no money in the cash drawer threw it out in the alley, where it was found the next morning. Some cigars were also missed. No arrests have been made to either case.
